LUGI
Challenge yourself

Over the last nine years, LUGI has been providing a platform for professionals in the insurance industry to learn, unlearn and excel. Through various programs it has provided an exposure to practices of successful professionals both from the national and international arena. Many forums have provided insights to members on shaping their skills in order to achieve beyond expectations.

While LUGI has always been at the forefront of promoting professionalism, fraternity and friendship, it has also established itself as the hub for knowledge, ideas and experience sharing. This has immensely helped members to plan their path to success.

RECOGNIZING YOUR ACHIEVEMENT

In order to recognize the achievement of its members, LUGI now presents LUGI Excellence in Achievement Program (LEAP), an award that identifies members who have stretched themselves that extra mile to achieve something that many can only dream of. This is yet another step to recognizing members of LUGI.
